HEN HARRIER FARM ADVISORS

This is a list of Farm Advisory Service (FAS) approved individuals who have completed both Phase 1 and Phase 2 mandatory training sessions run by the Hen Harrier Project.

You must engage an approved Hen Harrier Programme Advisor to participate in the Hen Harrier Programme. A trained advisor is needed to assess the habitats on your farm, to advise you on appropriate supporting actions and to help you prepare an Annual Works Plan. You may engage any of the Advisors listed in this booklet as your Hen Harrier Programme Advisor. They may be your advisor for the Hen Harrier Programme only or they may also support you in other schemes.

You may change advisor at any time, your new Advisor or the Hen Harrier Project Officer can supply to you with the required forms to make this change. If you have any questions please contact the Hen Harrier Project team at our Office Phone Number 091 792 865
